It remains laden with the vertigo of the past, of the megacenturies in which it extended, infiltrated, subdivided, recomposed. I have two versions of "The Applicant" that I hope to include in the book-I haven't had final edits so we'll see what stays in. I am going on very little here, but perhaps that special additional gift of frame triggers memories. Damit hat auch die GOR wesentlich zur Akzeptanz und Durchsetzung dieses Forschungszweiges beigetragen und bietet weiterhin eine Plattform, auf der aktuelle Entwicklungen, Methoden und Erkenntnisse der deutschen und internationalen
