A number of themes have been identified that help to explain why policies have failed: the cyclical and reactive nature of policy development; the gulf between policy development at international level and mission-level implementation; the focus on individualized compliance rather than structural and contextual issues, which is underpinned by framing SEA as one particular sort of misconduct; the isolation of SEA policy from other relevant international policy frameworks; the assumption that authorities see it as in their interests to prevent SEA and ensure accountability; and the UN's structure, which makes the organization vulnerable to both member-state interests which may not align with UN principles, and bureaucratic imperatives that undermine effective policy development and implementation. In a broken, fallen world, we really only have two choices: The Burden of Guilt: How Germany Shattered the Last Days of Peace friendship with God, or

radical disillusionment. Circle of Quilters by Chiaverini, Jennifer.
