To hear more feature stories, see our full list or get the Audm iPhone app. TAN Books and Publishers. This is not exactly the case of the authors of the two manifestos mentioned above: Britain's young architects, besides scorning foreigners, have to contend with the generation of the two lords of high-tech, Foster and Rogers, whose merits cannot be compared with those of their detractors; and it has been some time now since the

Italian veterans last built any buildings that can be compared to those of the international stars they are trying to exclude in their country.
